For more than 25 years, Milligan Consulting has helped public agencies and organizations advance equity, inclusion, and nondiscrimination through expert Title VI compliance services. Serving government, nonprofit, and private sector clients nationwide, Milligan brings deep knowledge of Title VI of the Civil Rights Act and related federal requirements, paired with hands-on practical compliance solutions.

Milligan partners with clients to evaluate policies, programs, and practices for Title VI compliance, identifying potential disparate impacts. Services include Title VI program development and updates, policy and procedure reviews, language access planning, public participation analysis, and implementation strategies that are both achievable and sustainable.

Milligan's experienced, multidisciplinary team blends data analysis and civil rights expertise with federal Title VI compliance experience. Municipalities, state DOTs, airports, transit agencies, and the Federal Transit Administration rely on Milligan for practical guidance, reliable results, and long-term nondiscrimination compliance support.
